About Company

Beston Wood Industries LLC stands tall as one of the largest and most dynamic sawn timber importers and exporters in the UAE. From locally serving companies within the UAE market to exporting high-quality timber to destinations such as the Middle East, India, and Vietnam, our global reach signifies our impact on the timber industry.

As a frontrunner in the field, Beston Wood Industries LLC takes the lead in shaping industry standards, driving development, and delivering a robust offering to our valued customers. Our leadership position is not just about size and scale; it's about responsible business practices. Leveraging a vast global supply network, we efficiently source and provide a diverse range of products, including hardwood logs, sawn timber (air-dried / kiln-dried), wooden dowels, Special Sizes, and other forest products at competitive prices.

At Beston Wood Industries LLC, we take immense pride in our ability to offer top-notch products and services. For those interested, we eagerly await the opportunity to provide a customized quote based on specific requirements. Trust us to be your reliable partner in the timber industry, offering quality products and unmatched service.

What We Do?

We specialize in the supply of Green Sawn timber and seasoned dressed timber, offering a comprehensive range to meet diverse market requirements. Our leadership position in the industry empowers us to prioritize innovation and sustainability, ensuring that our customers receive not only top-quality products but also a commitment to ethical and responsible sourcing. Utilizing an extensive and streamlined supply network that reaches across the globe, we offer a diverse range of items, such as hardwood logs, sawn timber, wooden dowels, Special Sizes, and various other forest products, all competitively priced. Contact us today, and we would be delighted to furnish you with a tailored quote, reflecting our commitment to quality and customer satisfaction.
